

Admission to Undergraduate Programs of Tsinghua University 2010

1. Introduction

Tsinghua University offers 38 undergraduate programs to international students (see Appendix for program catalog). The undergraduate programs have a schooling system of 4 years, except that the architecture program requires 5 years, the Biomedical and Biopharmaceutical Sciences program requires 8 years, get the M.D.. The programs are delivered in Chinese or bilingually in Chinese and English. Bachelor's degree and graduation certificate are awarded to those who have finished all the required course work and passed thesis defense.

2. Qualification of Applicants

Foreign citizens under 25 and in good health, with:

- (1) Certificate of Graduation from senior high school;
- (2) Certificate of HSK (Chinese Proficiency Test) Band 6 or above.

The qualified applicants are encouraged to apply for Chinese Government Scholarship (CGS). The scholarship applications should be directed to the governmental departments of overseas study affairs, the related organizations, or Chinese embassies, in their home countries. The application time is from early January to early April each year.

The applicants who are not able to get CGS support may apply to Tsinghua University for Beijing Government Scholarship (BGS) or Tsinghua University Scholarship (TUS), by submitting the Application Form for Tsinghua University Scholarship.

3. Materials for Application
